Retraction: Integration of Artificial Intelligence (AI) and Robotics in Technical Education in Oyo State, Nigeria

Published in: *Engineering Research Journal*, Vol. 6, Issue 1, 2026

Notice of Retraction

This article has been retracted at the request of the author due to duplicate publication. The work was previously published in conference proceedings, and its subsequent appearance in *Engineering Research Journal* constitutes redundant publication.

In accordance with best practices for scholarly publishing, the editorial office has withdrawn the article to maintain the integrity of the academic record.
